

Show Guidelines - Travel - Housing Service

Book your room for Natural MarketPlace 2010 with Travel Planners, Inc., America's #1 Housing Company!

Access Travel Planners' housing service for all your Natural MarketPlace housing needs. With their 24 hour, 7 days a week, real time, state of the art reservations website, you can:

- Make a new reservation
- Change or cancel an existing reservation
- Review hotel descriptions, photos and see detailed city maps

These links are the only way you can be assured that your Natural Marketplace Show reservation is:

- Connected. Earn points in your hotel membership/loyalty programs with your Travel Planners reservation.
- Quick. You'll get immediate confirmations - no waiting or wondering.
- Descriptive. Exclusive hotel profiles give you the real deal on every hotel in the program--descriptions, amenities, photos and maps.
- Expandable. You can book one room or an entire group in a single online session.
- Easy. Manage all reservations online--review them, reassign guests and change or cancel any time.
- Real-time. Real-time reservations, available 24 hours a day, 7 days a week.
- Backed by our live call center. Our trained call center agents are here to help you prior to your arrival and during the show.

[Travel Planners](#) provides complete service--from booking to checkout.

Prefer to book via telephone? No problem. Our friendly and knowledgeable agents are ready to take your calls Monday through Friday from 9:00 am – 7:00 pm ET at 1.800.221.3531 or 1.212.532.1660.

Show Guidelines - Travel - Parking

The LVCC has parking available. Overnight parking is prohibited. Vehicles left on the property will be towed.

- Parking is available with a \$10.00 fee with in/out daily privileges. You will need to get your ticket stamped for re-entry.
- Parking spaces for handicapped individuals are also available at the LVCC. These spaces are also wheelchair accessible.
- Any vehicle parking in the front of the building, in the South Hall 1 and 2 Plaza bus cut out will be towed.
- Vehicles will **NOT** be allowed to park in the loading docks.
